**Subject:** RE: Cross Examination Exhibits and Use Thereof (Cross Examination Exhibit No. \*\*\*) -- DN 2020-263-E

**Parties:**

Please clearly identify the Cross Examination Exhibit that you intend or plan to show the witness clearly. Cross examination exhibits are not reviewed or opened until you state the number. Therefore, we cannot know what are referencing or using or if you intend it to be part of the record (provided you moved it into evidence). And remember, a document is not part of the record – nor marked as an exhibit as proffered – unless you move to have the document marked as the next Hearing Exhibit. Once marked and identified by the witness – your foundation for the exhibit – you will need to move to have the exhibit entered into the Record. Otherwise, it is not marked and not entered as part of the record. This is a just a quick and simple overview reminder.

We send a copy of the same electronically to all parties to make sure the exhibit is available to them and available on the DMS for anyone who may be watching the livestream.

Thank you.

Jo Anne
